

A little inspiration

Inspiration Elite is ready to go right out of the box

Inspiration Elite is a compact, robust, and reliable nebulizer compressor system - providing fast, efficient nebulization at home.

A reliable system

Inspiration Elite is the newest nebulizer compressor system to join the Respironics family of products. Stylish and lightweight, this nebulizer compressor system provides fast and reliable delivery of all commonly prescribed aerosol medications for respiratory conditions. The system is easy to use and suitable for adults and children. Inspiration Elite is mains operated, making it the perfect choice for use in the home.

Key features

- Compact, lightweight and robust
- Easy to use
- Low maintenance and good value

Included:

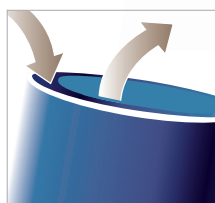

- Inspiration Elite compressor with three year warranty
- Disposable Sidestream high efficiency nebulizer
- Angled mouthpiece
- Adult mask
- Child mask
- Supply tubing
- Four spare inlet filters

PHILIPS
RESPIRONICS

Disposable Sidestream high efficiency nebulizer

Inspiration Elite is supplied with a disposable Sidestream - a highly efficient nebulizer that has minimal drug wastage. The Sidestream has a venturi system which enhances drug output, and therefore gives much faster treatment times (2.5 ml in approx 6 minutes). It is highly efficient (72% of drug output volume less than 5 microns), and has a low residual volume (0.5 ml).

Venturi system provides a faster delivery rate and shorter treatment times than conventional nebulizers.

Innovative jet design produces consistently high quality aerosol.

Inspiration Elite Nebulizer Compressor Systems

Product description	Language	Quantity	Part number
Inspiration Elite 230v Euro Plug	EN, FR, DE, NL, IT, NO, SE, FI, DK, EE, LV, PL, AR	1	1049905
