

A truly portable solution

MicroElite freedom in the palm of your hand

MicroElite is a stylish and compact nebulizer system that utilizes proven jet nebulizer technology to provide fast and effective delivery of most commonly prescribed aerosol medications.

Peace of mind

MicroElite also includes a rechargeable battery allowing the freedom to take a treatment almost anywhere with discretion and minimum inconvenience.

Versatile

Travelling with the MicroElite could not be easier, because each system includes an international travel adaptor making this a truly global travel companion.

Key features

- Compact, quiet and lightweight
- Fast treatment times
- Easy to use, transport and maintain

Included:

- MicroElite compressor with three year warranty
- Micro Plus reusable nebulizer & tubing
- AC electrical adaptor with European, USA, Australian & UK plug adaptors
- DC electrical car adaptor
- Four spare filters
- Rechargeable lithium polymer battery (optional)
- Carry case

Product specification	
Weight	450 g (with battery), 300 g (without battery)
Dimensions	7.6 cm x 6.7 cm x 6.4 cm (with battery), 7.6 cm x 6.7 cm x 4.8 cm (without battery)
Electrical requirements	8.5VDC, 950mA (compressor), 8.5VDC, 1080mA (battery)
Maximum nebulizer capacity	6 ml
Treatment time	As short as 8 minutes for 3 mls
Battery type	Rechargeable lithium polymer
Battery operating time	Up to 60 minutes on full charge
Battery charging time	3 hours
Max pressure	17 psi
Max flow rate	5 lpm
Operating pressure	9.4 psi
Operating flow	2 lpm
Warranty	Compressor: 3 years, Micro Plus nebulizer: 6 months, Battery: 6 months
